January 5, 2014

Due to the major winter storm hitting the area, Waste Management will delay Monday residential pick up across the area for one day. Waste Management crews will operate this week on a holiday schedule. All Monday routes will be collected Tuesday. All Tuesday routes will be collected Wednesday and so on. As driving is not recommended, this move will allow plows to safely remove the snow and keep the roads clear for emergency vehicles.

## ABOUT WASTE MANAGEMENT

Waste Management, based in Houston, Texas, is the leading provider of comprehensive waste management services in North America. Our subsidiaries provide collection, transfer, recycling and resource recovery, and disposal services. We are the largest residential recycler and also a leading developer, operator and owner of waste-to-energy and landfill-gas-to-energy facilities in the United States. Our customers include residential, commercial, industrial and municipal customers throughout North America. To learn more visit [www.wm.com](http://www.wm.com).
